

Columbia Tap Rail to Trail

Join us for the ground breaking of the Columbia Tap Rail to Trail Bikeway Project

The Columbia Tap Rail to Trail bikeway project consists of 3 miles of a 10-foot wide hike and bike trail. The trail runs from Dixie Drive to Polk Street with a bicycle & pedestrian bridge across 288 and Brays Bayou, connections to the Medical Center, TSU, and Downtown as well as connections to existing bike routes at Alabama & McGowen and bike lanes on Polk.
